MEDIA RELEASE

Sussex County Return Day ‘preferred seating’ tickets still available

[Oct. 21, 2010] – Sussex County Return Day is the only ticket in town this election season. Best of all, it’s free and everyone’s invited to the party.

For those spectators, though, who want that extra special view of the political winners and losers, tickets for preferred bleacher seating are still available through the Georgetown Town Hall. Tickets this year are \$5 per person, but quantities are limited and will be sold on a first-come, first-served basis.

Bleacher seating will be provided along the parade route, near the main stage, on The Circle in downtown Georgetown. Call (302) 856-7391 to purchase tickets.

As always, attendance at Return Day is free and there will be plenty of great spots along the parade route to see all the action. No ticket is necessary.

For those Return Day guests with special physical needs, a designated area on The Circle will be available at no cost. Guests can make use of this area by parking in the designated handicapped parking areas in Georgetown (see the Return Day map), and by using the shuttle service available on Return Day.
